# KILLS GERMS, HELPING YOU MAINTAIN HYGIENE

## HAND SANITISER GEL

Instant Hand Sanitiser Gel is a specially formulated alcohol based hand sanitiser gel designed to be effective against a broad spectrum of potentially harmful microorganisms. It contains humectants to prevent the hands from drying out over frequent use. Alcohol content is greater than 70%.

70%+  
alcohol

✓ **Kills more than 99.9% of germs on hands:**

620 is surgical grade, bacteriostatic skin sanitiser that kills more than 99.9% of all germs on hands.

✓ **Prevents bacteria growth:**

620 contains a special protective agent that stays on the hands to prevent growth and the spread of bacteria.

✓ **Keeps hands soft:**

Contains humectants including Aloe Vera, to protect the hands from tightness over frequent use. Contains no caustic penetrating agents that cause chafing or roughness.
