

# Rinse Aid with Descaler

SKU: 143 DOM\*

Rinse Aid with Descaler built-in not only eliminates water spotting on glassware, crockery and cutlery but also protects the dishwasher / glasswasher from rusting or scaling from food deposits. It is also designed to help disperse the rinse water to ensure the rapid drying of dishes and utensils. This product is suitable for all water conditions, simple and safe to use.

Rinse Aid with Descaler has an advanced formula that eliminates the possibility of scale formation within the washing machine ensuring an excellent performance. It is ideally suited for use in all commercial and automatic warewashing machines.
