

FOR EVERYONE EVERYWHERE, EVERY PLACE, EVERY HOME

Rinse Aid Combination Oven

SKU: 144 IND*

NO WATER
SPOTTING

Rinse Aid Conventional Oven is an acid based liquid, specially formulated to neutralise and rinse ovens to make sure there is no alkali residue left over. It eliminates water spotting and also helps in quick drying.

Rinse Aid Conventional Oven eliminates the possibility of scale formation within the oven ensuring an excellent performance. It is ideally suited for use in almost all commercial and automatic combination ovens.
