

FOR EVERYONE EVERYWHERE, EVERY PLACE, EVERY HOME

Heavy Duty Descaler

SKU: 145 DOM*

**FAST
SCALE
REMOVAL**

Heavy Duty Descaler is a concentrated acidic cleaner which may be used for a variety of purposes depending on the dilution. Its blend of acids provides fast, effective scale and rust removal.

Heavy Duty Descaler can also be used in the cleaning and brightening of stainless steel instruments and utensils, trolleys and counter tops. This product is also effective in removing calcium deposits from drinking fountains and showers.
