

Spray N' Wipe Anti-bacterial

SKU: 520 DOM*

Spray N' Wipe Antibacterial is an antibacterial spray with a powerful blend of alcohol, non-ionic surfactants and sanitiser that cleans and disinfects most surfaces (bench tops, doors, stove tops, microwaves, fridges, sinks, vinyl tiles and shower screens) effectively with a streak free finish.

This product does not require diluting eliminating the potential for incorrect mixing and poor water quality resulting in reduced cleaning action.

Spray N' Wipe Antibacterial kills most common bacteria like E. coli, Salmonella and Listeria monocytogenes.
