

FOR EVERYONE EVERYWHERE, EVERY PLACE, EVERY HOME

Mould No More

SKU: 720 DOM*

Mould No More is a safer option for mould removal. A thin foamy detergent sanitiser, it removes dirt, scum, mould, germs and stubborn stains from many surfaces. Mould No More contains a blend of surfactants to produce a long lasting, stable foam with selected alkalis to hydrolyse and saponify fats.

Mould No More can be used to clean tiles and grout, concrete, stainless steel and most surfaces. It is ideal for use in food and beverage processing areas, machinery, floors, walls, bench tops, shower, toilets, tiles, bathroom floors etc. Also great to clean cool rooms in factories where dampness and mould are a problem.
