

# Fat & Grease Eliminator

SKU: 331 IND\*

Fat & Grease Eliminator is thick foamy double strength detergent sanitiser with a characteristic chlorine and lemon odour which removes dirt, scum, mould, germs and stubborn stains. It contains a blend of surfactants to produce long lasting stable foam, with selected alkalis to hydrolyse and saponify fats.

Fat & Grease Eliminator can be used to clean tiles and grout, concrete, stainless steel and most surfaces. It is ideal for use in food and beverage processing areas, machinery, floors, walls, bench tops, shower, toilets, tiles, bathroom floors etc. Also great to clean cool rooms in factories where dampness and mould are a problem.
