## SPA & JET CLEANER

Spa Mate is a concentrated product made with Quaternary Ammonium Compound and contains no toxic solvents. It is specially formulated to clean, degrease and sanitise in 1 step making it more easy and economical to use.

Spa Mate can easily get rid of body fat, soap scum, common bacteria and other wastes from Spa internals and leaves the area clean and shiny. Spa Mate can be used to clean and sanitise dishwashers and washing machines. Spa Mate can be used as a no rinse spray and wipe sanitiser for cleaning the rubber seals in dishwashers and fridges, and most surfaces.
