

Ammo Floor Cleaner

SKU: 380 DOM*

Ammo Floor Cleaner is formulated using a blend of anionic and non-ionic surfactants with metal complexing agents built into concentrated detergent.

It is capable of grease cutting, soil removal and cleaning most washable floors and surfaces at a low cost price. It has an efficient emulsifying action and therefore a wide spectrum of valuable uses.

Ammo Floor Cleaner is low phosphate, non corrosive, residual free and non flammable. It is suitable for use on most washable floors, such as tile, vinyl, timber, ceramic etc. It is also suitable for toilets, baths, stoves, sinks, bench tops and windows.
